

**CANADIAN HISTORIC GRAND PRIX
CANADIAN TIRE MOTORSPORT PARK
JUNE 16-19, 2016
SUPPLEMENTARY REGULATIONS**

Held under CASC-OR General Competition Rules, CASC-OR Race Regulations and CASC-OR Permit

1. CAR ELIGIBILITY: All competing cars must be prepared to meet eligibility standards of the driver's VMC club affiliation (e.g. VRG, SVRA, VSCCA etc.) or possess appropriate ASN/FIA credentials (which may include a vehicle log book) and to meet minimum safety standards set out below. Canadian domiciled cars must be prepared to VARAC standards and rules. Cars will be subjected to technical and eligibility inspection.

Any questions regarding safety should be directed to VARAC-CHGP Race Director Del Bruce, Email: delb@rogers.com
Telephone #: 905-686-2690.

Any questions regarding eligibility should be directed to VARAC Eligibility Chairman Email CHGP@varac.ca

Seat Belts must be no older than five years, as shown by an SFI approval date tag or FIA approval expiry tag.

FHRs (frontal head restraint systems) are mandatory for all CASC cars and CASC licensed drivers. Out of region cars and drivers will be governed by the rules of their affiliated VMC club requirements for FHRs.

All closed cars require **Window Nets**. If the VMC club to which the car is affiliated allows substitution of a window net with an arm restraint, the driver may use such.

Fuel Cells are mandatory and have to meet FIA standards with the exception of certain Classic cars (refer to the VARAC rulebook at www.varac.ca).

Battery, solenoid, and other "hot" terminals shall be covered by rubber boots or covered by silicone or other non-conductive material wrap. All cars must be equipped with a master electrical cut out switch, located so as to be easily accessible from outside the car.

All **lighting glass**, front and rear, shall be securely taped to the satisfaction of the scrutineers. Taping of rear lights must not obscure brake light function.

"**Slick**" type racing tires will only be allowed on purpose-built racing cars that originally used this type of tire, some F70 Monoposto, Classic, and post-Historic Trans-Am cars.

Roll Bars must meet VARAC standards; refer to the VARAC rulebook at www.varac.ca. Other roll bar designs MAY be acceptable and VARAC has arranged to pre-clear such designs before the event. Drivers are urged to send photos of such designs that do not meet VARAC standards for review prior to entering the event.

Catch Tanks are required for all oil and water breathers. The use of antifreeze (glycol) is not permitted.

Rain Lights All cars must have at least one operating tail lamp to be used as a rain light in the event of rain.

2. DRIVER QUALIFICATIONS: All Canadian drivers (Canadian residents with the exception) must hold a current ASN or ASN regional affiliate license (ie CASC, FSAQ, etc). Non-Canadian drivers must, at minimum, hold a current VMC license or be members of a recognized Vintage Race Club outside Canada. An SCCA, FIA Race or Vintage license is acceptable for international drivers. VARAC reserves the right to refuse any driver who cannot show evidence of proper qualifications, for driving or medical fitness. All drivers MUST participate in the official practice sessions.

Other licenses may be accepted at the CASC Race Director's discretion for this event.

**CANADIAN HISTORIC GRAND PRIX
CANADIAN TIRE MOTORSPORT PARK
JUNE 16-19, 2016
SUPPLEMENTARY REGULATIONS**

3. DRIVER SAFETY EQUIPMENT: The use of the following Driver safety equipment is mandatory during all on track race related sessions.

The June 16th lapping day and the HPDX sessions will be run as per the 2012 ASN national lapping regulations (helmets required)

Driver Suits and Underwear: One-piece driver suits that effectively cover the body from the neck to the wrists and ankles, manufactured of material approved herein, shall be worn. Underwear manufactured of material approved herein shall be worn where specified herein. Driver suits and underwear shall be clean and in good condition with no excessive oil stains, holes or frayed edges.

Gloves: Gloves made of material approved herein shall be worn. This material shall be worn next to the skin. Gloves shall have no holes or perforations and shall be fitted at the wrist, and shall cover the cuff of the driver suit. Any other material, e.g. leather, may be applied to the exterior only.

Socks: Socks made of material approved herein shall be worn.

Shoes: Shoes made of material approved herein and/or of leather shall be worn.

Balaclavas: Balaclavas or helmet skirts of material approved herein shall be worn. Hair protruding from beneath helmets shall be completely covered.

Approved Materials: All fire resistant material approved by ASN Canada, FIA, SCCA and SFI is acceptable.

Driver Suits/Underwear: The following Driver suit/underwear systems are approved:

- A. Suits of two layers of approved material worn with approved underwear.
- B. Suits of three layers of approved material.
- C. Suits carrying an SF13-2A/3 rating worn with approved underwear.
- D. Suits carrying an SF13-2A/5 or higher rating.
- E. Multilayer suits carrying an FIA Homologation.
- F. Suits, which the manufacturer states in writing meet or exceed the standards stated herein, may be substituted for that standard.
- G. While competing, Drivers should not wear any clothing composed in whole or in part of Nylon. In the case of doubt concerning the composition of a suit/underwear system, the Driver shall be able to present adequate evidence that it conforms to one of the above standards.

Helmets: The following standards are approved: (1) Snell Foundation (USA); 2005SA, 2010SA, 2010SAH, 2015SA. (2) FIA approved helmets with documentation. Helmets shall be in good condition; a repaired helmet may be approved provided that written proof of a satisfactory repair by the helmet manufacturer is presented. Full-face helmets and shields shall be worn by Drivers of open cars.

4. RACE START and RESTART PROCEDURES: Race starts will be as per 2016 CASC regulations 2.3.2 and 2.3.3, www.casc.on.ca race regs pdf especially as they pertain to a waived off start. Drivers are responsible to review and be familiar with these procedures.

5. PIT AND PADDOCK RULES: The speed limit in pit lane and the mock grid is 60 kph. The speed limit in the paddock areas is 10 kph.

Consumption of alcoholic beverages by any participant is **expressly prohibited until all competitions are concluded for the day**. Parents and guardians will be responsible for the safety of children. All dogs must be on a leash. During the start of a race, no person except the Pit Marshals will be permitted in the hot pit lane. Only people immediately connected with the race in

**CANADIAN HISTORIC GRAND PRIX

SUPPLEMENTARY REGULATIONS**

progress will be permitted in the hot pit lane.

During a pit stop, a maximum of three persons, including the driver, will be permitted in the hot pit lane.

Following any pit stop, the driver must obey the Pit Marshall's signals before exiting the pit lane and re-entering the course.

When leaving the pits, drivers must stay to the right of the blend line. Drivers on track must stay to the left of the blend line. Touching or crossing the blend line at any time is an infraction and may result in a Black Flag.

Smoking is absolutely prohibited in the pits or pit area.

Any person in the pits must be wearing a shirt and long pants.

Pit/paddock support vehicles such as motorcycles, mini-bikes, ATVs and similar, driven by licensed drivers only, are allowed in the paddock area at the organizer's discretion and privileges may be revoked at any time. Minors are prohibited from their use.

6. DRIVER CONDUCT: VARAC strictly adheres to VMC conduct rules and enforces non-contact racing. Non-compliant drivers will be subject to review by the VARAC conduct committee. Any driver not obeying yellow flag rules will be subject to penalties from the CASC STEWARDS. Any driver who is judged by race officials as "out of line," "jumping the start" will be penalized. Various Judges of Fact will monitor such infractions as well as blend line crossing, exceeding pit lane speed limit etc.

7. MANDATORY DRIVERS' MEETINGS: Mandatory Drivers' Meeting have been scheduled at 8:30am on the June 16 Test day, as well as at 7:45 am on Friday June 17 and Saturday June 18. No drivers' meeting has been scheduled for Sunday June 19. All Drivers' Meetings will be held at the CTMP Podium in the Upper Paddock. Attendance may be taken.

8. EVENT SCHEDULE: VARAC/CTMP reserve the right to change the official schedule with respect to the order, length and/or groupings for any on track session. Groups consisting of 12 or fewer cars should expect to be combined with other groups to form a racing grid.

9. RACE MEDICAL: Race medical is located in the garages. Gasoline alley MUST have one lane clear for emergency vehicle use. Parking of non-emergency vehicles in this area is not permitted.

10. FUELLING: Any time there is a transfer of fuel there must be a separate designated person standing, holding an appropriate fire extinguisher. Refueling may only be done in an open, well-ventilated area – it may not be done under awnings or in an enclosed space where fumes may accumulate.

11. WAIVERS AND ACCESS: All persons wishing to enter a restricted area must sign the ASN insurance waiver and wear the appropriate wrist band as issued by VARAC for the event. Waivers for minors under the age of 18 are available at registration and must be signed by a parent or guardian. Restricted areas include: pit lane, pit boxes, mock grid, trackside, and any other areas indicated by officials or track personnel.

12. TIMING: All timed races will end when the first competitor crosses the start finish line after the completion of the prescribed time, or when the checkered flag is displayed.

13. EMERGENCY VEHICLES: Be aware that CTMP may dispatch emergency vehicles and service vehicles at any time and from any location without a race stoppage or without a full course caution.

14. NOTICES AND RESULTS: Notices and results shall be posted on the building adjacent to the results room in Gasoline Alley. Unofficial "live" results are available at racehero.io on the internet.

**CANADIAN HISTORIC GRAND PRIX
CANADIAN TIRE MOTORSPORT PARK
JUNE 16-19, 2016
SUPPLEMENTARY REGULATIONS**

15. TROPHY PRESENTATION: Trophies shall be awarded immediately after the Stoneridge Specialty Insurance feature race on Saturday, June 18, as well as after each of the feature races being held on Sunday, June 19, including the VARAC Grand Prix race. Cars should be parked in the impound area and drivers attend at the CTMP Podium for the presentations.

16. DRONES: The use of drones (unmanned aircraft) at CTMP is **strictly prohibited**. CTMP reserves the right to expel any person and/or their team found to be operating a drone.

17. ALL CARS TO IMPOUND: The display of "ALL CARS TO IMPOUND" requires all vehicles exiting the track to report to the impound area until released by race officials. Attendance is mandatory – failure to comply may result in penalties.

18. STONERIDGE SPECIALTY INSURANCE FEATURE RACE: For 2016, this race will feature "Flat 6s vs V8s". Cars must meet the general eligibility requirements of the event, plus they must be powered by either a flat 6 engine or a V8 engine to compete in this race. VARAC reserves the right to refuse any entry into this race at the discretion of the Race Director. Cars will be gridded based on their "best lap time" from the Saturday morning races. Cars that do not run in the Sunday morning race will be gridded at the back behind all entries that did.

19. VARAC GRAND PRIX: the final race of the weekend is open to any/all Vintage or Historic car that meets the event's general eligibility rules, as well as any Classic car that meets the event's general eligibility rules and weighs under 2500 pounds without the driver. The race is limited to 62 entries. If more than 62 competitors want to enter the race, preference will be given to those competitors that preregistered for the race on motorsportsreg. Cars will be gridded in the sequence that they arrive on the mock grid. This race is for "fun and show", a grand finale after a weekend of racing. Competitors are reminded that there may be significant speed and handling differentials for the cars on track. Be aware of the vehicles around you and your own vehicle's closing speeds. Adjust your driving style to accommodate the wide variety of vehicles in this race.

20. LIST OF OFFICIALS
