CASC-OR RACE REGULATIONS 2011

Amend Race Regulation 2.2.2 from:

Open and closed wheel Cars may not compete together. Sports Racing Cars shall run with the Formula Libre grid unless otherwise classified at the annual technical inspection by the Region Chief Scrutineer or his designate.

To:

- 2.2.2 a) With the exception of Vintage/Historic cars as noted in 2.2.2 b), Open- and Closed-wheel Cars may not compete together.
- 2.2.2 b) Vintage/Historic (pre 1972 era) Open- and Closed-wheel Cars may compete together providing the individual maximum weight of the Closed-wheel Car does not exceed 2500 lbs. An exemption to compete with Open-wheel cars may be granted, on an individual basis, for Closed-wheel Cars that weigh more than 2500 lbs, which do not meet the G70+ safety requirements, providing the maximum calculated energy developed does not exceed 2.11 million Joules. The formula for the calculation of energy shall be $E = .5 \times M \times V^2$, where M is the mass expressed in kilograms and V is velocity in meters per second. Application for any exemption shall be made to the VARAC Race Director.
- 2.2.2 c) Sports Racing Cars shall run with the Formula Libre grid unless otherwise classified at the annual technical inspection by the Region Chief Scrutineer or his designate.
