

2012 VINTAGE / HISTORIC CLASS CHAMPIONSHIPS

The 2012 Championships came to a close with the Celebration of Motorsports at Mosport on September 29th-

As expected for the season finale, there was a good turnout of vintage/historic entries, 28 in total, making this the third most popular event this year after the Canadian Historic Grand Prix and the Mont-Tremblant Fall Classic. In this report are the final points results per class for all participating VARAC members. Member names highlighted in orange are the individual Class champions whereas names highlighted in pale yellow are the members who participated in less than 3 events. There is no class champion in V/H 6 because no member ran the minimum three events.

Formula Classic - K
