Racing starts at 8:50 with Classic being first out. Note, the " on track" order changes from AM to PM.

We are using the Pro Track.

Keep your speed down in pit lane.

Note that if you leave the track surface the ground is "rocky" and "rough".

Report any incidents to the Conduct Committee. Note, if in doubt report.

Awards will be made after last race (approx. 4:30). Note points toward Driver's Challenge are awarded for your final race and are double for this event.
